Interview with me about creation, evolution and islamic religious education (READY project, 2017)

The linked transcript (published by READY) gives an account of the core sequences of an interview with me given on December 11th, 2017 at the Staatliches Seminar für Didaktik und Lehrerbildung (Gymnasien) Tübingen. The questions were asked by Peter Kliemann. The interview consists of four parts dealing with (1) creation, (2) evolution, (3) creation in islamic religious education and (4) creation as a topic of dialogue between christians and muslims. The video recording is part of the READY DVD on “Creation and Diversity”. Thanks to Peter Kliemann and the READY team!

Here is the transcript.
